DETAILED ACTION

Response to Amendment

1. The amendment filed 03-18-2005 has been entered. Claims 1, 2, 5-17, 19, and 20 are pending. Claims 3, 4, and 18 are canceled.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Calif Tervo on 05-18-2005.

The application has been amended as follows:

In the claims:

Claim 13, line 11, after "door" insert --, said rotary shackle padlock mounted rigidly within said lock housing--; and

Claim 16, line 26, after "door" insert --, said rotary shackle padlock mounted rigidly within said lock housing--.

3. Claims 1, 2, 5-17, 19, and 20 are allowed.

4. The following is an examiner's statement of reasons for allowance: Regarding claims 1, 13, and 16, Garner (US#6463769) (claims 1 and 13), and Taylor (US#6234388) in view of Garner (claim 16), disclose all of the limitations except for the rotary shackle padlock being

mounted rigidly within the lock housing. As accurately argued by the applicant, the padlock 40 disclosed by Garner is not attached to or supported by the lock housing 10 when placed therein, but merely dangles from the hasp 30 by its shackle. It would not have been obvious to one of ordinary skill in the art to modify Garner, or further modify Taylor in view of Garner, such that the rotary shackle padlock was mounted rigidly within the lock housing.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
